Prominent Man Answers Final Summons.

Mr. Robert J. Neely, one of Paris' foremost business men and for years one of the best known implement dealers in this section of the county, died at his home on Duncan avenue Wednesday morning about 11 o'clock after a protracted illness of Bright's disease.

For more than two years Mr. Neely had been in declining health and for several months his condition has been such as to cause the gravest alarm among his relatives and many friends. Mr. Neely was born and reared in this city, where he spent his entire life, and for years has been identified with the best interests of the town and one of its representative and substantial citizens. At the death of his father, Mr. Joseph Neely, he succeeded to his implement business, which he conducted with a marked degree of success until his declining health compelled him to retire, and his business was disposed of to the firm of Yerkes & Kenney.

At the time of his death Mr. Neely was a director of the Deposit Bank, a position he had held for a number of years, and was Vice President of the Bourbon County Agricultural Society being identified with this organization since it was reorganized six years ago. He was a consistent member of the Presbyterian church, and gave liberally to all causes of religious and missionary work. He was generous, kind-hearted and of a very charming nature. His friends were numbered by the score and his demise caused universal sorrow.

Mr. Neely, who was in his fifty-ninth year, is survived by his wife, who was formerly Miss Sallie Mitchell, one half-sister, Mr. Samuel J. Neely, of Cumberland, Md., and three sisters, Mrs. John A. Lyle, Mrs. John A. Mitchell and Mrs. William R. Blakemore, all of this city.

The funeral services were held from his late residence on Duncan avenue yesterday afternoon at 4 o'clock conducted by his pastor, Rev. Dr. B. M. Shive, who paid a beautiful tribute to the memory of the deceased. The remains were consigned to their last resting place in the Paris cemetery. The pall-bearers were Chas. Stephens, Jess Turner, Frank Remington, W. H. Harris, Joe M. Hall, George R. Bell, Clarence Thomas, W. H. Webb and George B. Alexander.

Jumped from Buggy and is Injured.

Miss Margaret Merringer, aged 19, daughter of Mr. and Mrs. John Merringer, residing on the Clintonville pike, near this city, lies in a critical condition at the St. Joseph Hospital in Lexington with a fractured skull as the result of an accident which occurred near her home Wednesday morning.

Miss Merringer, with her sister, Miss Anna Merringer, started to town Wednesday morning and just after coming out of the gate on the pike, a bolt in the shaft fell out allowing that part of the vehicle to fall, which, striking the horse's legs, caused the animal to run.

Becoming frightened the young woman jumped from the wagon, striking the road on her head, causing the fracture of the skull at the base of the brain. Her sister, who remained in the vehicle, succeeded in stopping the horse and was unhurt.

The unfortunate girl was picked up in an unconscious condition and taken to her home where medical aid was immediately summoned and she was taken to the St. Joseph Hospital, Lexington, by Dr. C. G. Daugherty at 11 o'clock. At this institution at 3 o'clock Wednesday afternoon a trepanning operation was performed and the young lady is said to have a chance for recovery although her condition is regarded as critical.

THEATRICAL.

"THE ROSARY."

Whatever else may be said of Rowland & Clifford's new production, "The Rosary," which comes to the Paris Grand on Wednesday, October 4, the charge of imitation of other plays cannot be made. "The Rosary" virtually breaks new ground in the dramatic field and should prove a veritable surprise when the curtain rises upon it.

The play is built upon a thoroughly modern theme, viz: the influence of thought upon the lives and well being of the men and women of our present day.

"The Rosary" attacks the theme boldly. It deals with the lives and fortunes of a little group of people living in the beautiful West Chester country near New York City. The husband is a disbeliever in all religion; his wife, a woman of serious conviction regarding faith in the things of life unseen. Strong in his belief and thoroughly

human, a priest moves through the subtle story of this play. When doubts come and the man and woman's lives are shattered, seemingly beyond human power to repair, this priest analyzes the situation and by the power of his faith brings both the people whom he loves back to happiness.

The stage settings are unique in their way; the first act occurs in a wonderfully beautiful grape arbor, the second and third are laid in a charming interior, showing the atmosphere of serene home life, while the fourth is a new church built by the unbelieving husband for his friend, the priest.

After all the discussion of the play during four acts, a wonderful effect is attained by the peace and serene quiet of the church where the man and woman who have suffered come at last to lay their burden down and find peace.

No detail in the immense labor of adequate production has been too trivial for Messrs. Rowland & Clifford to oversee and look after with the carefulness which in the past has been synonymous with their names as managers, and "The Rosary" on its presentation will be as near perfection as brains, money, infinite labor and vast experience can make it.

Prices 50 cents, 75 cents and \$1. Seats on sale at Mitchell & Blakemore's Monday morning.
